PETITION TO REVIVE PURSUANT TO 37 C.F.R. §1.137(b)

Sir:

Petition is hereby made pursuant to 37 C.F.R. §1.137(b) to revive the above-identified patent application. A Communication and Notice of Abandonment was mailed to the previous attorney of record on June 17, 2004 which indicated that the application was abandoned because it did not cure the defects identified in the declaration by co-inventor MATE filed July 10, 2003.

Enclosed herewith is an oath or declaration in compliance with 37 C.F.R. §1.497 and executed by co-inventor Amit MATE. The executed declaration identifies the other co-inventor, Mikko Rinne, and the residence, post office address and citizenship of both of the inventors.

Atty. Dkt. 6173/4010

The undersigned avers that the applicants had not intention of abandoning this application. The entire delay in filing an acceptable reply from the original due date for the reply until the filing of this Petition was unintentional. The undersigned attorney submitted a new Power of Attorney on June 2, 2004, but did not receive the above-mentioned Communication and Notice of Abandonment until July 10 20, 2004.

The Commissioner of Patents is hereby authorized to charge the petition fee required pursuant to 37 C.F.R. §1.137(b) and any additional fee required pursuant to this matter, or credit any overpayment, to the undersigned attorney's Deposit Account No. 02-4270 (Atty. Docket 6173-4010US).

Respectfully Submitted,

Dated: August 10, 2004
